Subject: OPW Offers ARTWare™ Training Video for Pacific Pride Marketers Upgrading to FSC3000™

Dear Valued OPW Distributor,

OPW is pleased to announce the release of a new training video that will guide Pacific Pride marketers through the ARTWare™ configuration process needed for OPW's SmartLock™ replacement solution – the FSC3000™ Fuel Site Controller.

This new video is part of OPW's comprehensive collection of informational resources designed to assist Pacific Pride marketers ensure a smooth installation of their SRL site's FSC3000 Fuel Site Controller prior to the Dec. 31, 2014, SmartLock sunset date. OPW's [tutorial video](#) is available on [OPW's new Pacific Pride site controller web page](#), which communicates installation procedures, offers a link to the necessary [ARTWare Setup 3.7 software download](#) and presents a library of downloadable announcements regarding the SmartLock transition via a convenient "Quick Links" tab. The video is also available on the [OPW YouTube channel](#).

The new ARTWare training video for Pacific Pride marketers follows the instructions found in the [M030002 Pacific Pride Multi-Trucking Network Package Upgrade, Configuration and Startup Procedure Guide](#). The new video is to be used as a supplement to the [standard ARTWare configuration video](#).

If you have any questions regarding configuring your FSC3000 Fuel Site Controller for Pacific Pride, contact OPW Tech Support at 1-877-OPW-TECH ([877-679-8324](tel:877-679-8324)).

Best Regards,

Orlando Hernandez
